

The Friends of the Shelton Libraries (FOTSL)

The purpose of the Friends is to support the Shelton Library System through advocacy, fundraising, and volunteer services

Friends' membership donations have supported reading programs, collection development, museum passes, furniture purchases, as well as other projects. As we grow, we can do even more! Both libraries need your help to make all this happen through service and by raising funds and raising awareness.

Please consider becoming a Friend by making a membership donation to Friends of the Shelton Libraries with a check payable to Friends of the Shelton Libraries. Mail this form and your check to the address below or drop off at the circulation desk at either library.
